

Interpersonal Skills Training Programme

GroomX Finishing Academy

Success in today's world depends not only on what you know but also on how well you connect with people. Interpersonal skills are the abilities that help us interact effectively with others, including communication, active listening, empathy, teamwork, emotional intelligence, and conflict resolution.

Many talented individuals struggle to express themselves confidently or manage difficult conversations. At GroomX Finishing Academy, our Interpersonal Skills Training Programme is designed to help individuals develop the confidence and communication skills needed to build strong relationships and succeed in today's competitive environment.

Why Interpersonal Skills Matter

- Build positive and lasting professional relationships
- Communicate confidently and respectfully with others
- Improve teamwork and collaboration
- Resolve misunderstandings and conflicts effectively
- Develop leadership and people management skills

How GroomX Helps You Develop Interpersonal Skills

At GroomX Finishing Academy, we believe interpersonal skills are developed through practice rather than theory alone. Before the training begins, we understand your communication style, personality, and areas that need improvement. Our trainers then guide you through interactive exercises, group discussions, and role plays that help you apply these skills in everyday situations.
